

# Immunize to shield your superhero from serious diseases.

Superheroes get their powers from vaccines. If your superhero is aged four to six years, they need vaccines on time to protect against:

- MEASLES
- MUMPS
- RUBELLA
- POLIO
- INFLUENZA (FLU)
- VARICELLA (CHICKENPOX)
- TETANUS
- DIPHTHERIA
- PERTUSSIS (WHOOPING COUGH)

Vaccinate for the best defense. Talk to your child's health care provider today.
